It's so hard to say goodbye

By Yuffie Valentine

A man stands in the lifeless ruins of the city of Midgar. Holding three flowers in his hand.

Here I am

Where I first met you

I still think of you everyday

Everything you died to prevent has been prevented

The world is still here

I didn't get to tell you

I didn't tell you how much you were to me

I miss you

Tifa misses you too

She cries herself to sleep every night over you

Little Marlene wants me to give you these flowers

I don't think she understands you're gone

Why did you go

Why didn't you run

I guess there are something's we all most die for

Your murderer is dead along with you

I saw him with a sword put through him

The evil is gone

You didn't die in vain

I guess I am here to say Goodbye

But it's hard

And to make it too real

This is the last time I'll come here

Too many good memories and bad ones mixed

I meant to spend more time here

But that isn't happening

This city is just a scar now

And you are to thank for that

You helped kill the evil

Even if you weren't me for the final battle

I needed you

I never said it to your face

But i did need you

You were family to me

It's too late

It's too sad

Please say you hear me

Rest in Peace

Jessi, Biggs, Wedge

Goodbye

Barret placed the flowers of Marlene's on the rubble of the pillar where Jessi, Biggs, and Wedge died.
